# User Manual

Thank you for purchasing the August MR270 Dual Bluetooth Transmitter. This user manual is designed to familiarize you with all the features of this device. Please take the time to read this user manual carefully, even if you are already familiar with a similar product.

## Safety

To ensure the safety of you and others, please read the Safety Instructions before using this device. Please do not disassemble the product, it can be unsafe and will invalidate the manufacturer's warranty.

## Disposal

Please ensure the product and accessories are disposed of in compliance with the WEEE (Waste Electrical and Electronic Equipment) Directive and any other regulations applicable to your country. Always check with the environment agency and any other relevant authorities for current disposal regulations.

## Declaration of Conformity

The Declaration of Conformity can be found on our website at <http://augustint.com/en/declaration/>

## Customer Service

You can contact us by phone on: +44 (0)845 250 0586 or by email at: [service@augustint.com](mailto:service@augustint.com) should you require further technical support or customer service.

## 1. Safety Instructions

- 1) Do not use this device near water.
- 2) Clean only with a dry cloth. Switch this product off before cleaning.
- 3) Do not install near any heat sources such as stoves or other apparatus that produce heat.
- 4) Only use the accessories supplied by the manufacturer.
- 5) Do not open the device, as this will invalidate the warranty.

User Manual

## 4. Part Names and Functions

1. Button I
2. Status LED I
3. Button II
4. Status LED II
5. Optical Audio In
6. Aux In
7. Charging LED
8. Charging Port
9. Reset Button
10. Power Button

### 4.1 Status LED Meaning

	Status LED	Indication
I & II	Constant White	Searching for Paired Devices to Connect to
I & II	Flashing White	Low Battery
I	Flashing White and Blue	Pairing Mode for Device 1
I	Constantly Blue	Connected to Device 1
II	Flashing White and Blue	Pairing Mode for Device 2
II	Constantly Blue	Connected to Device 2
Charging LED	Red	Charging
Charging LED	Green	Fully Charged

## 5. Operations

### 5.1 Setup

**Note:** When both optical and aux audio input are connected, the MR270 will use the aux audio input.

### 5.2 Bluetooth Connection

Press and hold the power button to switch the MR270 on.  
Both status LEDs will light white and the MR270 will search for paired devices to connect to.

### 5.2.1 Connecting a Device

1. Press button **I** or **II** to enter pairing mode. In pairing mode the status LED will flash white and blue alternately.
2. Enable Bluetooth on the receiving device and enter pairing mode (see the device's user manual for more information).
3. The MR270 will connect automatically to the receiving device.

Once successfully paired, status LED **I** or **II** will light blue constantly.

### 5.2.2 Clearing Bluetooth Connections

Press and hold button **II** for 5 seconds to clear all paired devices from the MR270.

## 6. Charging and Power Saving

### 6.1 Charging the Device

The status LEDs will flash white when the battery is low. To recharge, connect the MR270 to a power USB port using the provided USB power cable.

Whilst charging, the charging LED will light red and turn green once the battery is fully charged. A full charge takes approximately 1.5 hours depending on power input.

**Note:** When powered by a USB cable the MR270 will switch on automatically.

### 6.2 Power Saving

When the transmitter is switched on and powered by the battery, but no Bluetooth connection is available, or no devices are connected, the MR270 will switch off automatically after 30 minutes.

## 7. Enable / disable aptX

In case of headphones that do not support aptX, please try the following to switch enable / disable aptX on the MR270.

1. Unplug the USB power cable, and then turn on the MR270.
2. Press and hold Button 1 for 10 seconds.
  - 2.1 If the aptX is enabled, then it will be disabled. The white LED will go off and the MR270 will be turned off.
  - 2.2 If the aptX is disabled, then it will be enabled. The white LED will flash 5 times and the MR270 will be turned off.
3. Turn on the MR270, and then pair it to two headphones to test.

## 8. Specifications

Bluetooth Version	v4.2 aptX Low Latency

Working Time	Approx 15 hours
Charging Time	Approx 1.5 hours
Dimensions	52x40x18mm
Net Weight	30g

## 9. Troubleshooting

Problems	Possible Causes and Solutions
Unable to switch on	<ul style="list-style-type: none"><li>• Fully charge the MR270</li><li>• Turn on power switch</li></ul>
Unable to pair Bluetooth audio device	<ul style="list-style-type: none"><li>• Confirm that the MR270 is in pairing mode.</li><li>• Confirm that the MR270 is within 10m of the audio device.</li><li>• Press and hold button II for 5 seconds to reset the Bluetooth connection</li></ul>
There is no sound from my Bluetooth audio device	<ul style="list-style-type: none"><li>• Make sure the Bluetooth audio device is connected to the MR270 via Bluetooth.</li><li>• Make sure the cable is connected between your source device and the MR270.</li><li>• Check the volume on both source device and your Bluetooth audio device.</li></ul>

## 10. Warranty

This product is guaranteed for twelve months from the date of the original purchase. In the unlikely event of any defect arising due to faulty materials or workmanship, the unit will be either replaced or repaired free of charge (where possible) during this period. An alternative product will be offered in case the product is no longer available or repairable.

This warranty is subject to the following conditions:

- The warranty is only valid within the country where the product is purchased.
- The product must be correctly installed and operated in accordance to the instructions given in this user manual.
- The product must be used solely for domestic purposes.
- The warranty only covers the main unit, and does not cover the accessories.
- The warranty does not cover the damage caused by misuse, negligence, accident and natural disaster.
- The warranty will be rendered invalid if the product is resold or has been damaged by inexpert repairs. The manufactures disclaim any liability for incidental or consequential damages.
- Please consult our customer adviser before returning any product; we are not responsible for any unexpected product returns.

- Any faulty product must be kept and returned in the original packaging with all the accessories and the original copy of the purchase receipt.

The warranty is in addition to, and does not diminish, your statutory or legal rights.
