Operation

Bluetooth Connection

- 1.Connect the MR410 to the source device. When connecting via a USB port, please use the USB 3.0 adapter provided.
- 2.Press button 3 or 4 on the MR410 to activate pairing mode.
- 3.Enable Bluetooth function and activate pairing mode on the receiver device to connect with MR410.
- 4.The MR410 will pair with the device automatically.
- 5.The LED 5 or 6 will turn blue once connected via the Bluetooth. If this does not happen, please repeat steps 2 – 4.

Reset the MR410

Press and hold button 3 or 4 for 5 seconds to reset and clear all the Bluetooth connections.

Disconnection & Power off

- 1.Press button 3 or 4 to disconnection bluetooth devices.
- 2.Unplug the MR410 from the source device to power off.

Reconnect

- 1.If already paired, Bluetooth devices will automatically reconnect.
- 2.Audio devices will disconnect from the MR410 when they are not within the Bluetooth working range. To reconnect, move the audio device closer to the MR410.
- 3.When the Bluetooth is accidentally disconnected, power off and reboot the receiver device. The MR410 will automatically reconnect.

Charging source device

Plug the charging cable in the passthrough USB-C port to charge your source device when using the MR410.

3.Troubleshooting

Problem	Solution
Unable to connect	-Reboot the receiver device. -Disconnect and reconnect the Mr410
Unable to pair	-Ensure that the MR410 is in pairing mode -Ensure that the distance between the MR410 and receiver device is 10 meters or less. -Press and hold the Bluetooth button 3 or 4 for 5 seconds to reset the Bluetooth connection.
No sound	-Ensure that the Bluetooth audio device is connected to the MR410 via Bluetooth. -Check the volume of the audio source device and Bluetooth audio device.
Dual connection doesn't work	It is better to use two devices of the same brand and same model. If the problem persists contact the customer service.

5. Warranty

This product is guaranteed for twelve months from the date of the original purchase. In the unlikely event of any defect arising due to faulty materials or workmanship, the unit will be either replaced or repaired free of charge (where possible) during this period. An alternative product will be offered in case the product is no longer available or repairable.

This warranty is subject to the following conditions:

- The warranty is only valid within the country where the product is purchased.
- The product must be correctly installed and operated in accordance to the instructions given in this user manual.
- The product must be used solely for domestic purposes.
- The warranty only covers the main unit, and does not cover the accessories.
- The warranty does not cover the damage caused by misuse, negligence, accident and natural disaster.
- The warranty will be rendered invalid if the product is resold or has been damaged by inexperienced repairs. The manufacturer disclaims any liability for incidental or consequential damages.
- Please consult our customer adviser before returning any product; we are not responsible for any unexpected product returns.

- Any faulty product must be kept and returned in the original packaging with all the accessories and the original copy of the purchase receipt.

The warranty is in addition to, and does not diminish, your statutory or legal rights.
